The drummer operates tracks and audio effects from a laptop next to drum kit. He will need 2 DI boxes next to the kit.

When video screens are available, he will need 1- HDMI cable [within reach of the drum riser] or VGA, or DVI cables.

Band Rider

ON STAGE:

Absolutely NO FOG / Haze/ Smoke machines are to be used immediately before or during the band's performance. [No exceptions] Due to the fact that our vocalist is asthmatic, we ask that you please adhere to this. Thank you.

BACK STAGE:

Clean & secure dressing room or greenroom area to include the following [whenever possible]:

- Lights &, electrical outlet
- table & chairs
- Full-length mirror
- Wardrobe rack, or some other means to hang costumes
- A bathroom with toilet & sink in close proximity to the stage.
- 6 clean cloth towels [paper towels are acceptable if cloth is not available]
- Bottled water [15 bottles minimum per show]
- Hospitality: light snacks [i.e.: cheese, crackers, chips, vegetable plate, juice/sodas/water, etc.]

FOOD/BEVERAGE:

- Meals for 5 adults to include vegetarian options & filtered water
- The option to eat before or after the show [depending on each performer's preference] is kindly requested. If meals are only provided BEFORE the band's performance, then we kindly request to eat at least 2 hours before the performance start time, to allow time for digestion and time to change into costumes. [Thank you!]
